A special request

Okay I know I keep saying I'm not a good writer and I have 4 stories going on but a guest wants me to do a one shot

or a story of a G!P Santana and step mom Quinn.

Please leave a review for which one and whichever one has the most I'll do it

And I don't have a beta but since I first start writing I made some of improvement I think?

I'm currently working on B2L and Complicated
